

Scaling Hope: Kids-off-the Street Shelter

Transitioning from a 23-bed crisis shelter
to a 100-bed integrated Innovation Hub
and Rehabilitation Center.

THE CRISIS (SYSTEMIC GAP)

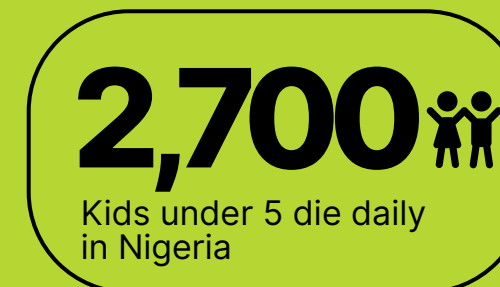

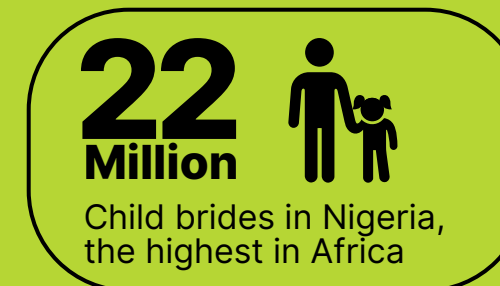

THE HIGH COST OF INACTION

The Gap: Over **100,000 children** currently live on Lagos streets without access to safe housing or formal education.

The Risk: Without intervention, these children face a **90% higher risk** of recruitment into organized crime or permanent social exclusion.

The Constraint: Pistis Foundation's current 23-bed facility is at **100% capacity**, turning away 4 out of every 5 eligible children.

WHO WE ARE

About PISTIS Foundation

PISTIS Foundation is a non-profit, social enterprise vehicle, established to be a model provider of empowerment opportunities for the economically challenged in target communities.

We provide corporations with a turnkey CSR solution for high-impact social investment, bridging the gap between corporate resources and untapped potential through our health, education and shelter initiatives.

Our Collective Responsibility

Organisations have an increasingly ethical and social responsibility to protect vulnerable children while achieving:

- Long - term economic sustainability and future workforce development
- Safer, more stable communities for business operations
- Enhanced corporate reputation and stakeholder trust
- Alignment with SDG 1 (No Poverty), SDG 4: Quality Education and SDG 10: Reduced Inequalities

OUR PROVEN MODELS (THE SOLUTION)

AN INTEGRATED PATH TO SELF-SUFFICIENCY

KIDS-OFF-THE-STREET SHELTER

The “Kids-off-the-Street” (KOTS) Shelter was launched in 2021 to mitigate the number of homeless children within target communities by receiving them into the home, rehabilitating them, and reintegrating them into society.

The shelter is currently at **100% capacity**, proving demand and a need to scale to

Core Pillars:

Academic: Back to school mobilisation & accelerated learning

Character: Values-based and socio-emotional mentorship

Talent: Vocational and digital literacy through Wings Academy

Our 'Receive-Rehabilitate-Reintegrate' model is not only a safety net; it is a pipeline for social mobility.

RECEIVE

In Partnership with the Lagos State Ministry of Youth & Social Development, receive street children for rehabilitation

REHABILITATE

- Education
- Skills Acquisition
- Healthcare
- Housing
- Feeding
- Clothing

REINTEGRATE

After 3-5 years in the shelter, transition the children first to boarding school and where suitable, back with their families.

WINGS ACADEMY

Wings Academy is a skill acquisition and talent mining program designed to provide street children with digital, creative, musical and sporting skills.

Since its inception in 2019, Wings Academy has provided training in robotics, programming, music, creative writing, chess and football.

The Wings Football Academy offers weekly football training and annual tournaments to more than 100 street children. One participant recently earned a football scholarship to a leading secondary school.

EVIDENCE-BASED SUCCESS

IMPACT REPORT (PROOF OF CONCEPT)

Capacity Utilization

100%

occupancy of Shelter proving demand.

Academic Retention

100%

school placement and attendance rate for all children under our care.

Operational Scale

120,000+

meals served and 1000+ medical checks successfully managed.

Talent Discovery

400+

children mentored through the Wings Academy Skills Acquisition Program.

Health Outcomes

0%

major health crises due to proactive monthly medical screenings for all residents.

Social Reintegration

15

KOTS scholars recently transitioned to top-tier secondary boarding schools beginning their reintegration process..

KOTS 100 & WINGS ACADEMY INNOVATION HUB

**SCALING CAPACITY BY 430%:
FUTURE-PROOFING NIGERIA'S YOUTH**

"We are moving from a local intervention to a scalable regional model for youth rehabilitation."

2026

Maintain 100% care for the current 23 scholars.

Acquire & fit-out infrastructure to accommodate 100 permanent beds & Innovation Hub

Scale operational staff and processes in preparation to receive 77 new scholars

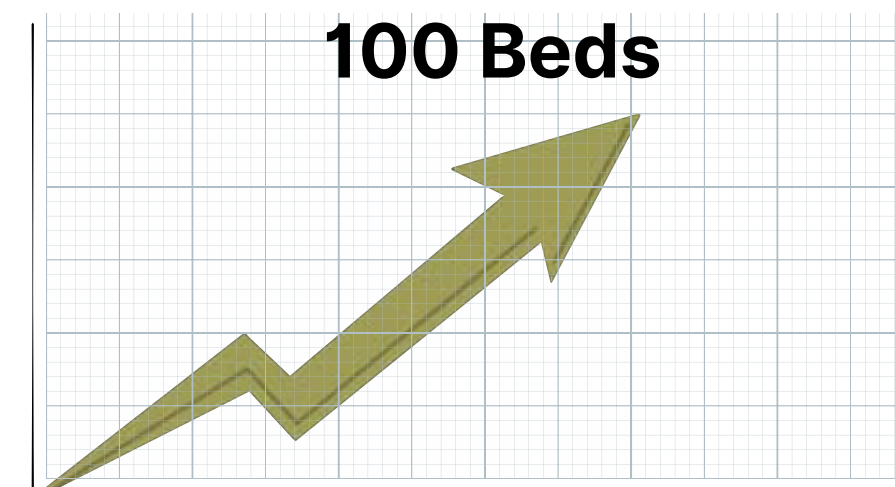

Pilot and launch the Innovation Hub curriculum.

- Digital Literacy
- Music
- Creative Arts
- Vocational Skills
- Sports Training

2027

Full-Scale Operational Launch

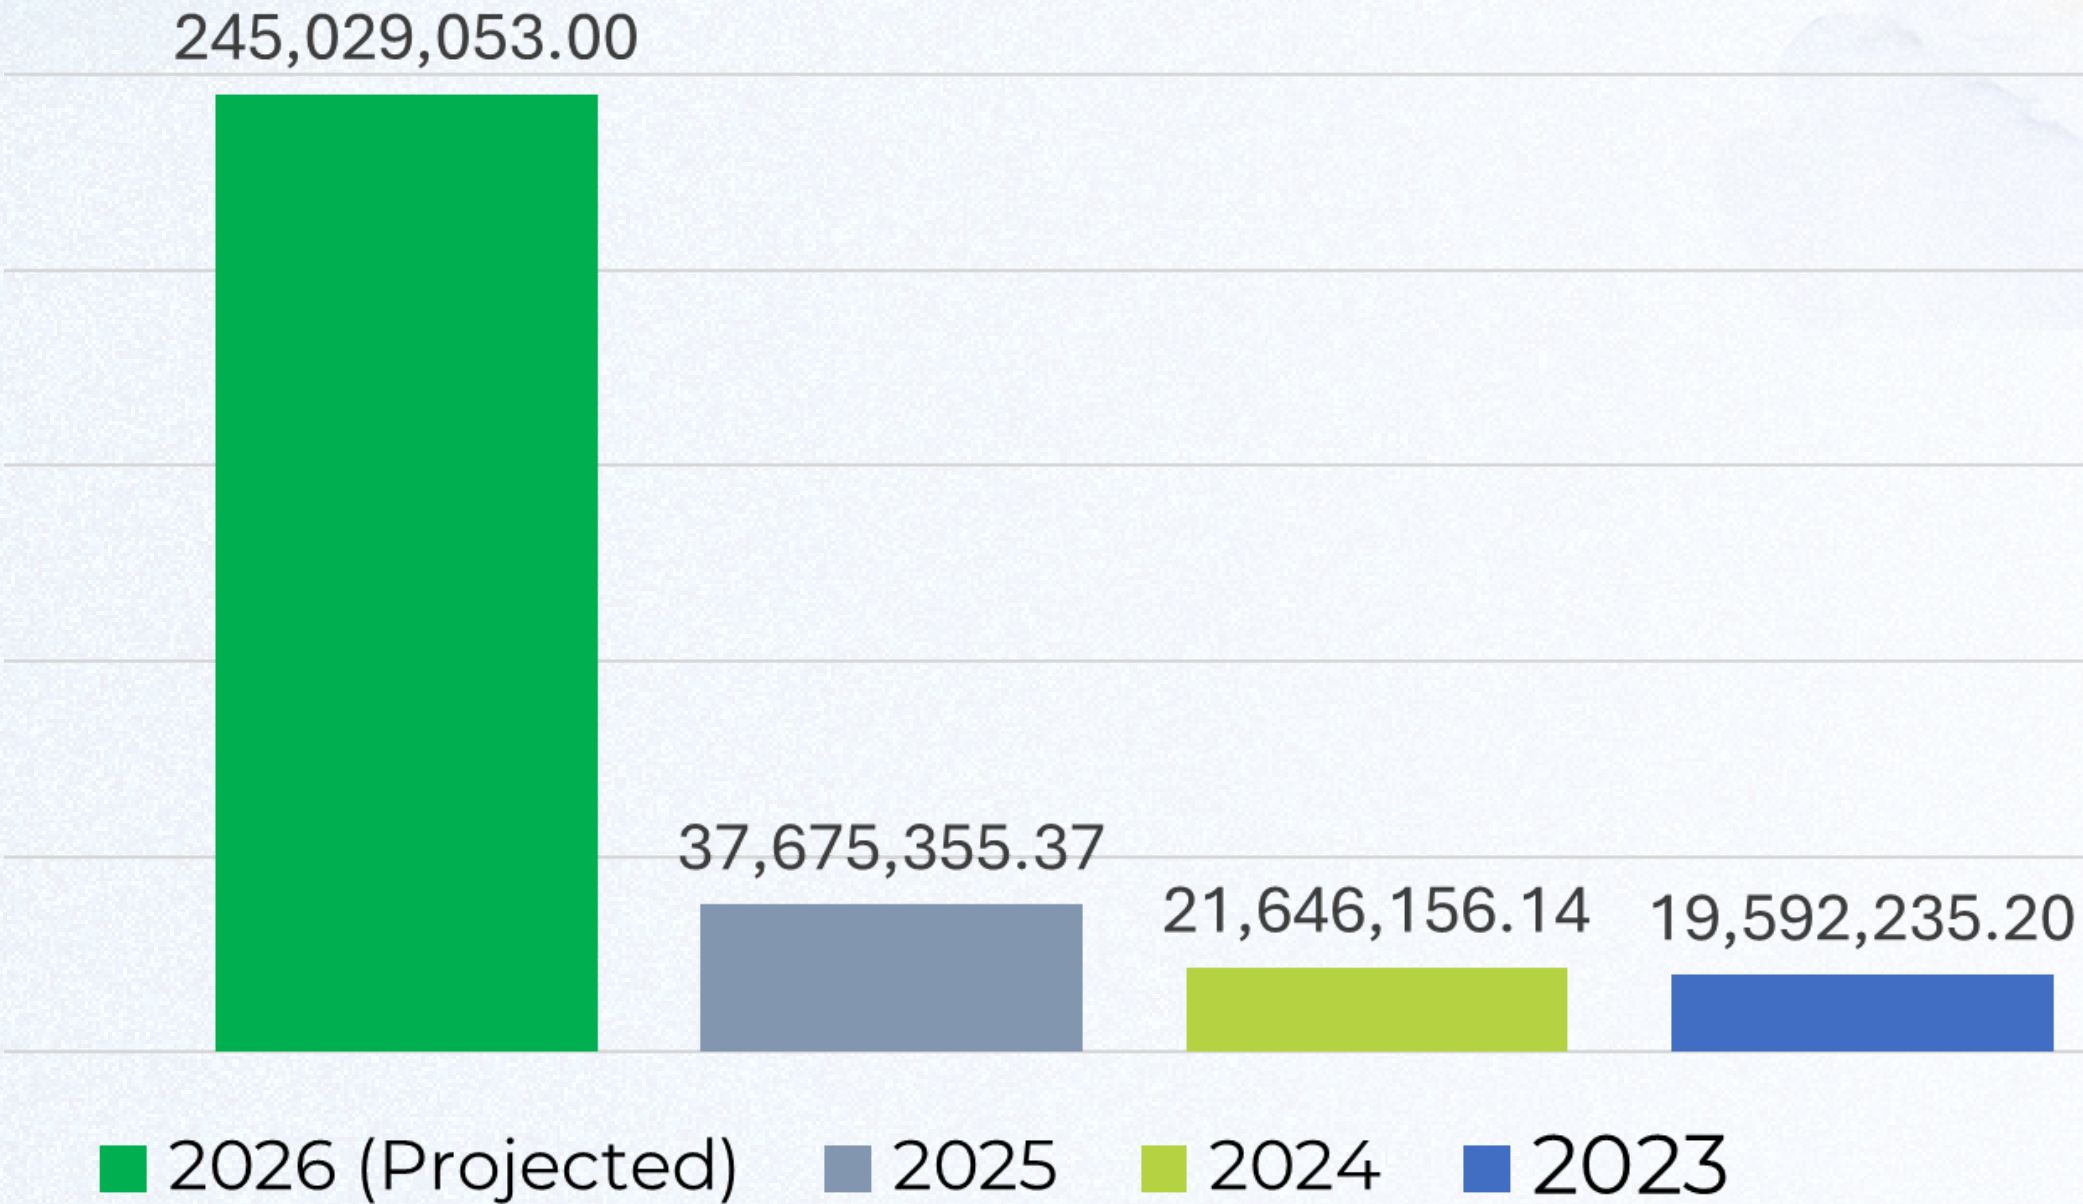

23 Beds

100 Beds

STRATEGIC CAPITAL ALLOCATION

FINANCIAL BREAKDOWN: 2023-2026 CAPEX & OPEX

Scaling Capital:
Construction and equipment costs for the new 100-bed wing and the Innovation Hub

The "Social ROI"
Increasing capacity by 430% will reduce the "cost-per-child" through shared administrative overhead from 2027
